DESIGNER INFORMATION

Thank you for your interest in Grace Publications. We always welcome the opportunity to see the work of a potential new author.

To submit ideas for review by our selection committee, please send the following:

1. 5-10 color photos of projects that are completely your own original design.
2. One of your patterns drawn with black ink on white paper.
3. Typed instructions for the pattern you are submitting.
4. A stamped, self-addressed envelope so we can return the material to you.

This "sampling" of your designs, pattern and instructions gives us an idea of whether your work will fit into our marketing plan or not. Because of the quantity of material submitted to us, our Selection Committee generally meets twice per month. Therefore, the procedure may take around three to four weeks. At that time your "sampling" will be returned to you or you will hear from us.

If we are interested in using your material for a book, you will receive an author's guide, a sample contract and information concerning royalties.

We look forward to hearing from you!
